

is almost adult "is sexual exploitation of children

PREVENTION OF THE COMMERCIAL SEXUAL EXPLOITATION OF GIRLS, CHILDREN AND ADOLESCENTS (ESCNNA) FROM THE TOURISM SECTOR

According to UNICEF (United Nations Children's Fund), 150 million girls and 73 million children worldwide are sexually abused every year.

Only between 10% - 20% of cases reaches the Judicial System. 10% are unknown abusers.

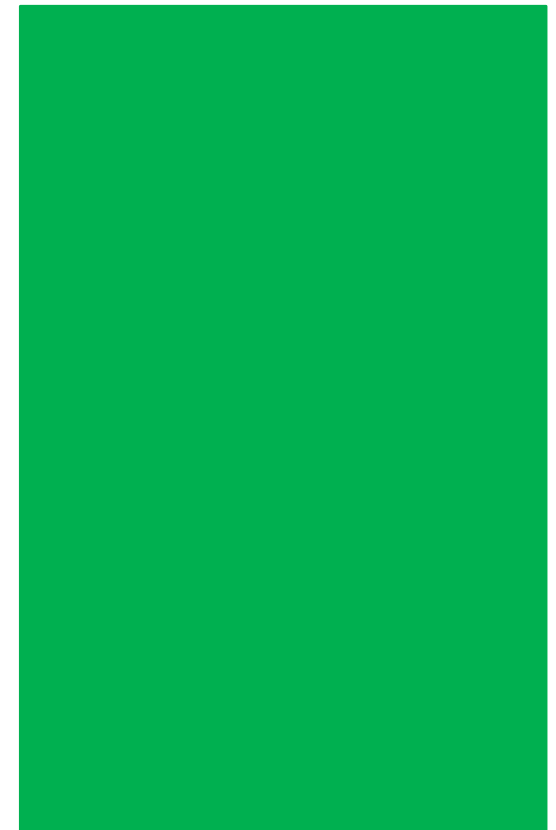

Eighty percent of victims deny or are reluctant to disclose abuse.

Cheating and emotional blackmail are the strategies most frequently used by aggressors.

Sexual abuse occurs at all social levels.

Our agency

Within the activities developed as an operating agency we have access to various places in the national territory, so our commitment must be permanent with the non-commercial and sexual exploitation of children and adolescents.

ESCNNA

The travel agency walks through Colombia....

It undertakes to identify, prevent and denounce any form of violence, abuse or exploitation of children and adolescents as a company that provides tourism services.

It maintains a support in the campaign to eradicate the sexual exploitation of children through the awareness of our collaborators and active promotion more responsible and ethical behavior in travel.

It relies on specialized agencies such as the ILO (International Labor Organization) to sensitize and guide the population about complaint mechanisms to become permanent allies against ESCNNA.

The UNWTO (World Tourism Organization) Promoting the ease of travel and tourism from the respect of the rights of children and adolescents.

The UN (United Nations) promoting and protecting its objectives with respect to Human Rights

Code of Children and Adolescents in the integral protection of children and adolescents as subjects of rights, guarantee and compliance with them.

Law 599 of 2000. art. 215 on trafficking in persons with a respective penalty.

"Child sexual abuse is a crime against the integrity of the human being."

The travel agency walks through Colombia...

purpose of Se is joining the Ministry of Commerce, Industry and Tourism to advance strategies to raise awareness and information on the phenomenon of ESCNNA.

“ Paying a child for sex is a crime”

Low self-esteem, shame, guilty feelings, sleep disorders, depression, school dropout, social exclusion.

NEVER MORE...

Zero Tolerance with Child Sexual Abuse
